B	June 1	1B, 2B Underclassmen Exams (1/2 Day AM)

- Students enrolled in initial credit courses through **VirtualSC** are required to take proctored final exams during VirtualSC's designated exam window (**May 1-3**). Students in these courses should contact their school counselors to find out when and where final exams will be administered.
- End of Course exams will be administered in **Algebra 1/Intermediate Algebra, English 1, Biology 1, and US History and Constitution**. End of Course exams will be given during the designated district testing window. The EOC exam grade counts 20% of the student's final grade in the course. These students do not take midterm or final exams.
- Seventh and eighth grade students who take Carnegie credit courses at middle schools will take exams Tuesday, **May 24 and May 25**.
- Students with a year average of 90-100 in a Carnegie credit course exempt the final exam. EXCEPTION- Students in courses with an End of Course Examination must take the EOC.
