

# Daniel High School

*A Tradition of Excellence*

Dear Parent/Guardian,

Honors and Advanced Placement courses require a higher level of commitment, personal responsibility, and academic discipline. Course selections must be made carefully when being recommended for and considering these courses. Students who sign up for Honors and Advanced Placement courses will have until June 1, 2018 to adjust honors/AP course requests. After the start of the academic year, drop or transfer requests will be considered within the normal drop/add period at the beginning of the 2018-19 academic year. Please keep in mind that any grades earned will be transferred to the new course(s) if a level change is made.

Many Honors and Advanced Placement courses require supplemental summer assignments. Students who are assigned summer work and do not complete these assignment(s) will carry any associated grades into the beginning of the course. This process will ensure that students are truly committed to the rigor and academic demands of an Honors or Advanced Placement course and will allow D. W. Daniel High School to accurately and appropriately schedule courses. We congratulate you and your student for the success he/she has demonstrated and look forward to a successful 2018-19 school year.

Sincerely,

A handwritten signature in cursive script that reads "Shannon Sharkey".

Shannon Sharkey  
Principal, D. W. Daniel High School
