

## What is the D.W. Daniel Foundation?

*The DW Daniel Foundation, established in 1991, is dedicated to supporting the mission and educational goals of D.W. Daniel High School. Funds raised by the Foundation provide resources that support our school's commitment to academic excellence and student success.*

**MAKE A DIFFERENCE, JOIN THE FOUNDATION TODAY!** All funding for the Foundation is provided through parent memberships, teacher memberships, Corporate sponsors, grants and fundraising events. The Foundation is like your PTO for DWD!

How your contributions have made a difference in just the past few years:

- A 14 passenger activity bus
- Lion's Mane artwork for the front lobby with personalized donor inscriptions (still available for purchase!)
- Academic Enrichment including calculators, computers, media center resources, and science lab equipment
- Enhancements to school facilities such as the message board at the school entrance, landscaping, bulletin boards, and picnic tables with benches for the courtyard
- Regional and national academic competitions, and student council events
- Food for school events such as Sophomore testing, Faculty Appreciation, and Seniorfest

How your money will make a difference in 2017-2018:

- Faculty and staff needs for **technology and other classroom items**
- Continued support of **Student Activities that support leadership and encourage academic excellence**

---

Please complete this form, enclose a check payable to "D.W. Daniel Foundation" and mail back with your **registration payment forms**. We are a 501(c)(3) non-profit entity so contributions may be tax deductible.
