Behavior

Awards Day and Graduation are times to celebrate the accomplishments of many of DWD's students, including all of you. These are the LAST times you will be sitting together as a class. Out of respect for your fellow students, the faculty and staff, and the family and community members in attendance, please remain quiet and attentive during the ceremonies.

Graduation Practice: Friday, May 26th 8:30 AM starting in the Main Gym

We will move to Singleton Field after announcements and line-up.

You will receive tons of information at graduation practice, but if you have questions before then, Mrs. Travis or Mr. Culpepper will be happy to talk with you.

Inclement Weather Plan for D.W. Daniel High School's 2017 Commencement Ceremony

- In the event that severe, inclement weather is predicted (lightening and/or heavy rainfall), the Class of 2017 will graduate in the main gym.
- Due to limited seating inside the building, students will be issued six blue tickets for the gym and two gold tickets for the auditorium. Additional viewing areas are being investigated at this time, so look for information concerning additional seating sometime in the near future.
- If severe weather is predicted, a decision will be made and communicated to families via a phone dialer, Facebook and Twitter posts, and a webpage headline as far in advance as possible to allow families to make plans.
- The safety of our graduates, their guests and our faculty and staff are of utmost important and will be the first consideration when a decision is made to move the ceremony inside.
